

CAFC Sponsorship Program

(updated 4/22/17)

The **Chinese-American Family Coalition (CAFC)** is a 501 (c) (3) non-profit organized exclusively for charitable and educational purposes. CAFC's mission is to promote greater awareness of Chinese culture and to provide Chinese community members with services and programs that foster their interaction with local communities.

CAFC's regular programming ranges from popular seminars and classes to heavily attended community events and festivals. Our well-publicized events reach a broad range of audience – for example, our Annual Golden Peony Gala Show is attended by CAFC members, Chinese families, local community members and officials interested in experiencing Chinese cultural arts. To learn more about past CAFC events and programs, please visit <http://cafc-us.org/>.

CAFC relies on membership dues and sponsorship by local organizations and businesses to maintain and expand our educational, charitable, and social services. **Donations from your business or organization can help ensure the continuation and expansion of our many programs and services.**
